EASTERN TURF NEWS.

The New York Sun of Monday prints the following grist of turf items:

"It was reported yesterday from Long Branch that Clarence H. Mackay's noted horse Banastar, which is top weight in the Suburban, Brooklyn and other big handicaps this year, has broken down and may never race again. According to the story circulated among turfmen, Banastar's bad leg, which put him out of training twice before, has again gone back on him and he will be permanently retired to the stud. Last year, after a good rest, Banastar opened up with an impressive victory in the Metropolitan Handicap. He was made a hot favorite for the Brooklyn Handicap, but was badly cut down in the race and finished nowhere. After that Banastar retired and it was thought he would never be seen on the track again. But trainer Hill patched him up last fall and the son of Farandole did so well that he was entered in all of the big handicaps for this year. In assigning the weights handicapper Vosburgh considered Banastar's chances so good that he handed top weight to him in the Brooklyn and Suburban. Banastar and the other horses in Mr. Mackay's stable have been wintering at Monmouth Park.

"And now comes the news that W. C. Whitney's Elkhorn is a victim of the Westbury influenza. The colt is a four-year-old by Belvidere-Elkhorn Lass and was raced in England last year with little success. He was brought back here last December and has been entered in the handicaps. Following the announcement that the crack filly Endurance by Right and the great colt Goldsmith have been struggling with the dreaded disease, Elkhorn's malady comes as another severe setback for Mr. Whitney's stable. It was said yesterday that Endurance by Right is convalescent. Her temperature has become normal again and Dr. Sheppard says she will soon be able to indulge in light training. But, in the opinion of experts, the filly will not be seen in races until the middle or the latter part of the coming campaign.

"The uncertainties of maintaining a racing stable are well illustrated by Mr. Whitney's case. Last year when he was buying up all of the best two-year-olds it was frequently said he would corner the racing game and soon hold all of the big stakes at his mercy. He sent the \$50,000 Nasturtium to run in the Derby, but the colt was taken ill soon after his arrival on British soil, and it is now a question whether he will be able to start in England's blue ribbon event. Mr. Whitney's other noted racers, including Endurance by Right, Blue Girl, Goldsmith, King Hanover, Gold Seeker and others, have been suffering from influenza, which often produces lung trouble of a permanent nature, and some of them will have to be handled very carefully before they can be subjected to the rigors of training. The colt Yankee, winner of the Futurity last year, has so far escaped the malady and has wintered so well that he is expected to capture some rich events this season. That there is something wrong with the climate or the quarters at Westbury seems to be a prevailing impression among turfmen, who say the fact that the horses of other owners have gone through the winter with scarcely a sick day shows that much depends upon the location of a stable. It is said Mr. Whitney has decided definitely not to send his horses to Westbury another winter, but will quarter some of them at his new Sheephead Bay stables and others at the Rancocas Farm at Jobstown, which he recently leased from Mrs. Lillian Barnes Allen.

"There was plenty of work at the Sheephead Bay and Gravesend tracks yesterday. Trainer Jack Joyner at Sheephead Bay showed among others Flywheel, Numeral, Clonmel and April Shower. Flywheel which is owned by Perry Belmont, has wintered well and looks as if he would be a dangerous factor in many races this year. Joyner had out, too, the two-year-olds Tioga, Yaqui, Anticipation, Wilhelmina, Petty Blue and Ancke, all of whom

got breathers. Trainer Peter Wimmer, as usual, worked Garry Hermann, Blackmore, Hands Across, Haversack and Hyphen at three parts speed through the backstretch, and allowed the youngsters Blue Ribbon, River Pirate, Oil in the Can, East Indian and Indian Fairy to trot and canter. 'Tony' Aste's youngsters were also in evidence, including Sweet Marjorie, by Goldfinch-Margerique, and a half-sister to Nasturtium.

"Over at Gravesend 'Father Bill' Daly displayed Alsike and Fabius together, who worked five furlongs in 1:03. His two-year-olds, Hurry and Annie Daly, were also sent along at a good clip. William Lakeland put Ten Candles, Enright and The Regent through some fast gallops. M. F. Dwyer's lot showed well, including Ethics, Trumpet, Francesco, William Stead, Michaelmas, Cincinnati and others. Green Morris' Cunard, who has grown into a fine three-year-old, was out with a filly by Golden Garter-Pink Cottage, hence a sister to Golden Cottage. The latter is a powerful youngster, who looks more like a colt than a filly. This week there will be a general exodus for Washington for the Bannings meeting, which opens there a week from next Tuesday."

NOTES OF THE TURF.

The racing stable of Graves & Innes has been shipped to Louisville, to go into active training for the coming racing campaign. In the lot are Russian and Effect, all the others being two-year-olds. In the latter lot are Acton, half brother to Remnant II, and Ganelon; Crime is a half sister to Eton Jacket, and Galski is a half sister to George C. Bennett's crack three-year-old, Abe Frank, at present the favorite for the Kentucky Derby. After Louisville this string will race at Latonia and Chicago.

The brood mare Linka, by Linden-Kalula, by King Alfonso, she out of Kapanga (the dam of the great Kingston), has just foaled a chestnut filly by Prince of Monaco. This filly is a half-sister to Bean and The Esmond. The mare and foal belong to turfman F. P. Kidd.

A. D. M., Leland Hotel. The parolee wins on Tom Kingsley. The race in which Boomerack was engaged having been declared off, he was no longer a factor. The substituted race was an entirely new engagement.

C. E. R. Having accepted a wager the bookmaker should pay if it wins. His employee's negligence is a hardship that he should stand for if a wager is made in good faith.

J. C. Cahn, one of the successful trainers of the west, who owned Typhoon II, winner of the 1897 Derby, may handle the eastern division of John W. Schorr's string this year.

In the string of W. W. Darden, now at Nashville, Brulare, A. D. Gibson, Wall and Hi Kollar are doing well. Jockey Beauchamp will report to Mr. Darden for duty on April 1.

John Walters is handling the string of George Hendrie, of Canada. The most improved horse in the lot is Khaki, by Cheviot-Sunny Locks, now four years old.

Any one sending the address of James Tracy, once a jockey and some years back employed by W. O. Dyer, Columbus, Wis., will confer a favor.

Capt. "Buck" Franklin, who a fortnight ago seemed to have little chance for recovery, is much improved since the operation.

Gen. W. H. Jackson returned from Florida to his Nashville home several days ago. He is said to be considerably improved.

W. W. Finn, who will ship his stable to Little Rock, has signed jockey Slack to ride his horses the coming season.

Hickey, Chicago. D. Hoover's Jennie Harding won a half mile dash at Garfield Park October 23, 1891—not 1901.

T. A. R., Chicago. Such a parolee wager as you describe lost.

Winner—Bk. c, by Boundless—May Bee.

Went to post at 2:12. At post 1 minute. Start good. Won driving; second handily. M. L. Rothschild began quickly, soon taking what seemed a safe lead but was brought to a drive at the end by Lento's sudden rush, which would have landed the latter winner in another stride or two, Lento is improving and runs like a stayer. Mike Rice ran and finished well. Rasp broke flatfooted and tired in making up lost ground. Ting a Ling finished well, Baldo ran poorly. Light Ball had no chance with his bad jockey.

M. L. Rothschild, show, 4 to 5. Lento, show, 3 to 2. Mike Rice, show, 2 to 1. Light Ball, show, even.

Winner—Ch. c, by Golden Garter—Jo Viva.

Went to post at 2:39. At post 5 minutes. Start straggling. Won driving; second easily. Ora Viva, a good looker and improving, got off well and responded gamely at the end when challenged by Delsegno. The latter suffered from a bad start and inferior ride. He closed an immense gap in the stretch and was probably best. Altawan got off running, but quit in the stretch. Katanga went well. Dotterel ran poorly and can do better.

Overweights—Delsegno, 2 pounds; Katanga, 2.

Ora Viva, show, 2 to 5. Delsegno, show, 1 to 3. Altawan, show, 1 to 2.

Winner—Br. g, by Ormonde—Miss Brummel.

Went to post at 3:07. At post 5 minutes. Start straggling. Won in a canter; second easily. Beau Ormonde outclassed his field and quickly assumed a winning lead and ran unextended throughout. Narra G. appeared to be the only serious contender and was going very easily at the end. Dean Swift was taken back soon after the start. He closed up some ground afterwards but did not run his race. Free Lance finished very fast and ran the best race thus far shown by him here. Sir Dougal was probably short and wants a heavy track to show at his best.

Scratched—30311 Goal Runner, 120; 30746 William F., 120; 30471 Claudator, 106; 30369 Winnecook, 104, Beau Ormonde, show, out. Narra G., show, 8 to 5. Dean Swift, show, out.

Winner—B. f, by Candlemas—Duchess of Towers.

Went to post at 3:34. At post 1 minute. Start straggling. Won in a canter; second easily. Tower of Candles got off running and making the most of it practically cantered for the entire journey. Dr. Boyle got off badly and very easily got second place but only at the very end because of too long delay in calling on him. Mike Strauss went remarkably well at the weights. Einstein finished well and on a fast track will prove useful. Diomed was short. San Venado fell out of contention quickly and is not in good form.

Tower of Candles, show, out. Dr. Boyle, show, out. Mike Strauss, show, 6 to 5.

Winner—B. m, by Meddler—Little Lady II.
Went to post at 4:00. At post 5 minutes. Start good. Won driving; second handily. Lady Meddlesome set the pace throughout, closely followed by Limelight, and proved the gamier in a driving finish. The latter showed surprisingly good form and hung on stoutly. Grand Sachem finished fast. Tufts, off poorly, was carried very wide on all the turns, but ran a good race and is very useful. Wolhurst came from last place in three furlongs. Kickumbob quit unaccountably in the last quarter. Sunello ran badly in going supposed to favor him.
Scratched—31030 Hungarian, 109; 31046 Nilgar, 106; 31030 Invictus, 94.
Overweights—Limelight, 2 pounds; Wolhurst, 1; Tizona, 1.

Went to post at 4:25. At post 3 minutes. Start good. Won easily; second driving. Dollie Wiethoff is fresh and good, closely attended the pacemaker and drew away easily in the stretch. Dr. Bernays closed a big gap, finished very fast and ran in surprisingly improved form. Marshal Neil is a confirmed sulker and was swerving and quitting at the end. Ulloa showed speed, but went very wide on the stretch turn and there quit badly. Larry Wilt was short and went only a half well. He will do to watch. McNamara and King Dellis were beaten when they fell.

Went to post at 2:30. At post 1 minute. Start good. Won driving; second the same. Glade Run worked his way through the field and, finishing strongly, caught the leaders tiring at the end and got up in the last stride. St. Tammany ran a good race, but hung when it came to a drive. Weir could not do Love's Labor justice. This horse ran well and seems to be improving. Warranted was cut off at the far turn and Hayden pulled him up and came to the extreme outside at the stretch turn.
Scratched—(3103) Royal Penny, 110; (31023) Lillian Reed, 108.

Went to post at 2:55. At post 6 minutes. Start good. Won handily; second driving. Bob Baker was well in motion when the flag fell and showed much speed, but was tiring at the end. Fourleaf C. was in a pocket to the stretch turn and Lindsay's finish was a weak one. King Tattius hung on gamely when it came to a drive. Competitor is a broken winded horse and the stiff wind did not help his chances any.

Went to post at 3:25. At post 4 minutes. Start good. Won driving; second easily. Eufala showed decided improvement and the most speed but was driving to the limit at the end to stall off Maverick. The latter came wide at the stretch turn but finished very strongly and would have won in another stride. Tom Maybin had no mishaps. He was off well but could not stand the pace as weighted. Winner—Br. g, by Van Buren—Etta Gilroy.
Went to post at 3:55. At post 9 minutes. Start good. Won driving; second the same. Van Hoorebeke was allowed to go out alone and opened up a gap, but was doing his best in the stretch and barely lasted long enough. Walsh on Mr. Phinizy appeared to be paying more attention to Jena than he did to the leader. Mr. Phinizy was undoubtedly the best horse and should have won. He was under a stiff pull for the first half and when he made his move went up on the outside of the field. Jena ran to her best form and finished strongly. The others cut no figure.

Winner—B. m, by Leonatus—Adele, by Onondaga.
Went to post at 5:38. At post 4 minutes. Start good. Won easily; second handily. Money Back took command early in the race and had everything her own way in the run home. Merida did her best and was under a hard drive all through the last quarter. Incidental saved ground at all the turns, but was tiring and just managed to last long enough to save third place. Malbert ran fairly well only. Badge Bell finished strongly after coming very wide at the stretch turn and would have been third in another stride.
Scratched—31060 Echo Dale, 110.
Corrected weights—Merida, 97.
Overweights—Money Back, 3 1/2 pounds; Malbert, 3 1/2; Badge Bell, 4 1/2; Amoroso, 2.

GOSSIP OF THE TURF.

S. C. Wagner's string of runners will be shipped from Montgomery Park direct to Benning's race track, Washington, to enter on the eastern campaign. The Wagner string is the only consignment that will go from Memphis. The list of horses includes two fillies by Flying Dutchman, which have been named Sweet Alice and Flying Girl. All of the horses are within a few days of racing condition, and the opinion is expressed that they stand better showing for purses at Benning's than the eastern horses, which are backward in their work.

Mr. R. M. Westerfield, owner of the winner of the Bush Cup, wished to present the trophy after the race to Captain Rees as a token of his esteem for that official. Mr. Rees declined the honor in a neat speech, in which he said: "If all owners raced their horses as you do, Mr. Westerfield, there would be no necessity of having stewards. You have raced under me for several years, and I have never had occasion to call you into the stand in a single instance. I appreciate your kindness in offering me the handsome cup which your horse so gallantly won, but I think that you should keep it."

The officials of the Crescent City Jockey Club have announced that those who came under the

ban through the recent steeplechase ruling, which barred them from the privileges of the turf, can apply for an appeal to the Western Jockey Club at any time. Section 29 of the Rules of Racing calls for an appeal to be made within five days, but the club has waived this right so as to give those implicated the opportunity of carrying their cases to the higher body if they see fit.

William Hendrie, uncle of George Hendrie, has several horses at Nashville, in charge of Ed Moore, who is also training some of his own. In William Hendrie's lot is the six-year-old Martimas, which won the Futurity and was disqualified out of the Flatbush Stakes. This horse is in grand condition. Ed Moore has among his horses the seven-year-old Aristo, which broke down as a two-year-old. He spent the past two years in a Nashville livery stable and traveled hundreds of miles to buggy over the Tennessee turnpikes. He regained his soundness and Moore has him in training again.

Frank Bruhns, who brought out Terminus and sold Ben MacDhui to Mr. Walden for something like \$10,000, has at the head of his older division at Nashville the good colt Alfred Vargrave. He is in splendid shape. He is going slow with his Oaks filly, Ice Water, and will not shape her for the Memphis event for three-year-old fillies.

The Melbourne Stud.

Handspring LIMITED TO THIRTY APPROVED MARES. \$100
(PROPERTY OF P. J. DWYER).

Handspring won the Great Trial, Tremont, Double Event (both renewals) Foam, Billow, Withers and Carlton Stakes, Brooklyn Derby, etc. Chestnut horse, standing 16.1 hands high. By Hanover—My Favorite, by imp. Rayon d'Or. Handspring's oldest get were two-year-olds in 1901. He has had but six starters, three of which, Merriment, Meditation and Major Daingerfield, are high class winners, and one of his other starters, which only twice raced, ran second in one of his starts in company of stake class. Handspring's breeding must be considered extra fashionable and up-to-date, being by the great Hanover and out of a daughter of the grand imp. Rayon d'Or, who won on the turf no less than \$122,140 and showing wonderful ability to go any distance and to carry any sort of weight. Handspring's second dam was by the successful sire imp. Glen Athol, a son of Blair Athol, winner of the Derby and St. Leger, and he out of Blink Bonny, by Melbourne, and she won both the Derby and Oaks, and grandson of both Pocahontas and Queen Mary and sire of the Derby and St. Leger winner Silvio, and the great Prince Charlie, probably the fastest horse that ever ran in England. Handspring's next dam is by none other than the great and only Glencoe. Going back to Rayon d'Or we find him out of a mare by the son of the immortal Touchstone, the foundation stone of nearly all perfect pedigrees, and her second dam was old Pocahontas herself, by imp. Glencoe. Thus combining several times over the wonderful Glencoe blood. Any breeder stunting a good mare to Handspring has a chance to produce the greatest horse that ever lived, and his stud fee is certainly a very low one, taking everything into consideration.

Rainbow \$50

Brown horse, 16.3 hands high, foaled 1890, by Longfellow, dam Buff and Blue, by War Dance. Rainbow won the Brooklyn Derby and many other races, in which he defeated the best horses in training and during his three-year-old form worked a mile and a half trial in 2:36 over the Coney Island track. Rainbow's dam, Buff and Blue, is by War Dance, one of the best of Lexington's sons, out of the famous old matron, Reel, by imp. Glencoe. Buff and Blue also produced Bright Phoebus (winner of the Realization Stakes), Monita Hardy, Sister Geneva (dam of Carnero), and other winners. His second dam, Balloon, was one of the greatest long distance race mares ever seen in this country and produced the famous brood mare Ballet. Rainbow is one of the finest thoroughbred stallions in America and sold for \$8,200 as a yearling. Rainbow made his first season in the stud at Melbourne in 1900, but he was stunted to a few mares before that and from those services he has had seven starters, every one of which has been returned a winner, including the three high class performers Menace, who won eighteen races, a greater number than any other three-year-old filly in training in 1901; Wealth, a three-year-old filly, who in her first and maiden start forced the noted Futurity winner Ogden, then an older horse, to run a mile under 1:40 to beat her a head, and Percy F., a several times stake winner. For 1902 Rainbow is limited to thirty mares, of which twenty will be his owner's.

St. Julien LIMITED TO THIRTY MARES. \$50

Own brother to the stake winners and successful sires Prince of Monaco and St. Carlo. Chestnut horse 16 hands high, foaled 1891, by imp. St. Blaise—Carina by Kingfisher. St. Julien was a stake winner and raced with success as a two and three-year-old, winning The Larchmont Stakes, 3-4 in 1:12, and other races, and was beaten a head by John Cooper in the Vreeland Handicap, 7-8 in 1:28. St. Julien was only stunted to a very few mares previous to going regularly in the stud at Melbourne in 1901, yet he has sired the flying Myrtle Dell, who made a track record as a two-year-old in 1901, Sard Seething, St. Dean, Kabyle, Princess Julien, Blonde Grayson, etc. Mr. Barnes thinks St. Julien fully the equal of his full brothers, St. Carlo and Prince of Monaco. He is a sure foal getter, having twenty-eight mares in foal from a service of thirty-three last year. He is also a grand breeder of individuality and as fine a tempered horse as there is in Kentucky.

Jim Gore Private

By Hindoo, dam Katie by imp. Phaeton. Sire of Beau Gallant, The Goldfinder, Amelia May, Bean Ideal, Moncreith, Gorman, Knowles, Donna Seay, and many other stake winners and great campaigners.

Prince of Monaco Private

By imp. St. Blaise, dam Carina, by Kingfisher. Sire of Fancywood, Blennenworth, Monarka, Precur sor, Autumn Leaves, Sting, Kilmantle, who won twice and was placed four other times out of seven starts in England in 1901, Colbert, and many other winners.

The Melbourne Stud now consists of five stallions and 108 of as finely bred young matrons as can be found on any single breeding farm in this country. The mares are now kept on eight different farms and the yearlings on four different farms—far apart and yet within a few miles of Melbourne, for it is my fixed opinion that strictly high-class race horses can be bred with more success if kept apart in small lots rather than banded together in large numbers.

Mares kept in box stalls, well bedded down, the charges will be \$10 per month, when running on grass \$5, which must be considered a very low price, considering the established reputation the Melbourne Stud has for the care of its stallions, mares and all thoroughbred stock. It is a practice at the Melbourne Stud to try the mares three times a week until the first of June, and after that time every day until the season closes, July 1st, which is a guarantee that every mare will be got in foal, if care and attention will accomplish this end.

Usual return privilege, if horse is alive and in my possession.
